Enterprise & Public: Sector phone prices are valid for eligible customers through 1/13/07 unless otherwise noted, while phone supplies last, and are subject to change. Certain restrictions may apply. Offers are subject to availability in certain markets. F

¹ Hearing Aid Compatible (HAC) wireless phones rated M3 or M4 meet the FCC requirements for hearing aid compatibility and are likely to generate less interference with hearing aid devices. M4 is the better of the two ratings.

² CDMA 100+ CL and Public Sector equipment flat pricing is a device discount program that replaces the legacy service credit structure. Flat pricing is available to eligible new and existing 100+ CL National Value Program and Public Sector customers. Cu

³ 100+ CL and Public Sector customers, who have a Handset Life on File greater than 12 months and who have not received an equipment subsidy or a service credit in the past 12 months, are eligible for a handset upgrade at the flat price. Customers who up
